PREACHING THAT CONNECTS

16th – 17th November 2009

Trinity Methodist Church
Lisburn, Co Antrim

PREACHING THE WORD OF GOD IS ALWAYS A CHALLENGE

But how can we preach into the post-Christian culture of the 21st century and still be true to God's written Word?

Hugh Palmer, from All Souls Langham Place London, believes that Paul in 1 Thessalonians will help us make our preaching connect and in four talks will introduce us to the contemporary nature of the apostle's message.

Joining Hugh will be **Voddie Baucham** – author, lecturer, and Pastor of Preaching at Grace Family Baptist Church in Texas, USA. From the Book of Acts and 2 Peter, Voddie

will demonstrate how the apostolic message effectively engaged with the pagan cultures and worldviews of its day. He will also show that preaching this same message today is still God's way of revealing the truth of the Gospel to a post-Christian secular society.

The aim of our annual assembly is to equip and encourage preachers. We firmly believe that when the Bible is opened and taught faithfully and relevantly the voice of God is heard in a living and powerful way. We therefore seek to encourage those engaged in preaching to see the exacting work of expounding Scripture as the pressing need in today's church. While the assembly, therefore, is mainly for those in current full-time preaching ministries, others are very welcome, especially students, apprentices and spouses of Christian workers.

Trinity Methodist Church is approximately 1.5 miles from Lisburn city centre. Approaching from the East, exit the M1 at junction 7, or from the South, the main A1 from Newry at Sprucefield. Approaching from Belfast, exit at junction 6 and head for the city centre.

At Knockmore Road, turn at the traffic lights onto Ballymacoss Avenue at the SuperValu supermarket – follow this road for approximately 200 yards round a gradual right hand bend, and take the first turn on the right, into Trinity Square – the church is now directly in front of you. The church is also clearly visible from the Knockmore Road itself.
